

# John Knox Christian School

## *STATEMENT OF PARENTAL AGREEMENT*

Having read the Constitution, the Membership Policy, the School Handbook and other pertinent information about the John Knox Christian School, and the John Knox Christian School Society, we are aware that this school is not a church school, a special remedial school, or a school different in specific methodology, but a uniquely Christian school.

We are aware of the purpose of this school and we wish to enrol our children.

As such:

1. It is understood that we are enrolling our child in this school because of our earnest desire that our child receive a Christ-centered education.
2. It is agreed that our child be educated in a manner consistent with the beliefs and objectives of this Christian school.
3. It is agreed that in matters of improper conduct, our child will be subject to disciplinary action of the faculty and administration. When our child's continued presence impedes the process of Christian education, he or she may be expelled.
4. It is agreed that, upon enrolling our child, we will be bound by definite financial obligations to the J.K.C.S. Society.
5. It is understood that our child's admission to the school is subject to administrative approval and possible academic testing. All pertinent information regarding our child will be made available to the school administration.
